FixedOPS Marketing strives to empower positive growth for our partners and your customers. We bring you automotive marketing services built with modern technology, for the modern consumer, offering value-driven solutions, through partnerships, innovation and industry.

MORE LINES PER RO

Create better customers for your service department by marketing more of the services you offer and building the value of those services before customers arrive.

MOVE BEYOND OIL CHANGES

FixedOPS Marketing will build the value of your service department so you can move beyond loss leaders like oil changes. We highlight the value in the other services you offer to customers.

BUILD YOUR UNIQUE BRAND

Grow beyond stale print coupons of yesteryear with interactive, digital coupons that your customers can save and share. Publish your coupons in more places and gain more conversions.

CONNECT WITH YOUR CUSTOMERS

Your customers will have a greater level of confidence working with your service center through the trust we'll help you build in your brand. Connect with your customers through your unique brand.
